Happy Summer Everyone! I certainly hope that we will be enjoying many more days of sunshine like today.

Along with summer comes the announcement of the annual Dominic Melita Charity Golf Tournament. On the reverse side of this sheet, you will find an explanation of the tournament, This includes a little bit of Dominic's story. The second sheet gives specific information about the tournament, and includes a registration form. Please invite some friends, put together a foursome, and register now! If you are not a golfer, we hope that you can join the tournament participants for dinner. You can make reservations for this on the registration form as well. The proceeds from the tournament help to support the many activities and services of this chapter.

Your support of the tournament committee and their efforts is greatly appreciated!

*Karen Wentworth*

Administrative Director

### **HORSEBACK RIDING AT DOUBLE "H" HOLE IN THE WOODS RANCH**

On Saturday June 21, eighteen adults and seventeen children and siblings went up to Double "H" Hole in the Woods Ranch to enjoy a couple of hours of horseback riding. We were treated to lunch with this summer's camp counselors. After lunch, the children took turns riding in the corral, trail riding, and visiting with the other animals in the barn. Along with having fun, the children were also helping to train the camp counselors about working with our children in the barn area. While the children were riding horses, their parents were treated to tour of the ranch. Double "H" has so much to offer. We all left feeling energized and grateful to have this very special place in our back yard!
